### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: Claims 2-8, 10-16 and 18-23 are allowed.

Claims 2-8 are allowed because the prior art of record fails to disclose or suggest the inclusion of a regulator control circuit for examining the VCO control voltage and controlling adjustments of the supply voltage to the PLL based on the examination as recited in claim 2. The inclusion of this limitation defines patentability over the prior art of record because it defines a distinguished structure of the control circuit capable of receiving the VCO control voltage and providing the adjustment of the supply voltage to the PLL.

Claims 10-16 and 18-23 are allowed for the same reason noted in claim 2.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Minh Nguyen whose telephone number is 571-272-1748. The examiner can normally be reached on Monday, Tuesday, Thursday, Friday 7:00-5:30.
